REGULAR BUSINESS:

PCAB 18-01  Planning Commission Procedures, for Discussion
Commissioner Hirsch asked for clarification on the responsibilities for decision-making and required research on issues brought up to the Planning Commission. Ms. Green stated that the Commission, with Town Council approval, can consult outside specialists to get further input to consider prior to decision-making.

The Commission discussed with staff methods used during the review process for determining that requirements meet Town Municipal Code. Town Planner Green gave the regulations and process of how the Town code is applied during review. Should Commissioners wish additional time to consider matters before them, a continuation can be requested by the Commission.

Town Planner Green suggested that Commissioners may want to consider whether applications for site specific-projects that require a Public Hearing may be best heard by a professional Hearing Examiner rather than the Planning Commission.

Clerk-Treasurer Warhol and Town Planner Green gave an explanation of the process responding to inquiries and concerns regarding Town issues. Ms. Warhol also explained the risks and difficulties involved with the Town engaging in social media.

Clerk-Treasurer Warhol addressed concerns regarding a previous topic from a cellular carrier looking to install small cell sites that that was brought to the Council in October 2017. Ms. Warhol explained that the Council received a presentation from the carrier and has not moved forward with any action.

The Commission discussed the future topic of tree regulations

PCAB 18-02  Training session scheduling: “A Short Course on Local Planning”
